

**PORTABLE FIRE PIT - A GREAT GARDEN ACCESSORY!**

Fire in ancient Latvian mythology is a source of not only heat, but also power, which protects from all the perils looming in the dark. **GRANDEG deSign portable fire pit** combines the wisdom of longstanding generations with modern and functional design, which will be a great addition to any celebration, picnic or a simple leisure time in the garden.

The **Etno signs** on the sidewalls of the fire pit serve not only an aesthetic purpose – they are ancient Latvian protective signs, each with its own meaning and explanation. In the ancient Latvian culture, which was more closely intertwined with nature, these signs were thought to protect and help in everyday life. For this reason, the signs on the sidewalls have carefully been selected, according to the usage guidelines of ancient Latvians.

At the same time, the **GRANDEG deSign** fire pit is equipped with everything needed for comfortably and pleasantly enjoying the playful fire outdoors. **Removable firewood burning gitter** ensures an even air supply for burning, and the fire pit can be equipped with a **special holder frame**, enabling You to surprise Your loved ones with a delightful, juicy grilled meal or soup. Your romantic evening will be brought to perfection with the **handy rack**, suited for dishes, products and a glass of exquisite wine. The rack is attached to the side of the fire pit or on the holder frame.

The fire pit is equally suited for usage on cobble and on the lawn, and the special **heat protection plate** will safeguard the lawn from charring. At the same time, the handy wooden handgrips make transporting the fire pit easy and comfortable. You can also equip it with a special rag-bolt for additional protection against upturning or theft.

Enjoy the magic of fire and ancient traditions with the **GRANDEG deSign** portable fire pit!
