PORTABLE SKEWER GRILL - INVALUABLE GRILLING HELPER!

Whether during celebration or on a regular day, a meal in fresh air rejuvenates and makes time spent in the garden a true relaxation. The preparation of every outdoor meal is a small adventure, and it's important to have just the right equipment, which meets all your cooking requirements with comfort and functionality. **GRANDEG deSign Grillo** will be of great help to both beginner and expert cooks, combining high technical quality and incomparably handy usage with impressive design that will look great in any garden.

The **special burning gitter** shields the base plate of the grill from scorching and ensures an even distribution of heat throughout all the cooking area, while the **adjustable air inlets** let You easily control the cooking temperature. Whether you're cooking fish, meat or vegetables, **GRANDEG Grillo** lets You find just the right temperature, and **considerably less charcoal will be needed**.

For times when You want to surprise Your loved ones with Your cooking skills, it's important that every piece of equipment helps, not hinders the success of the meal. The **GRANDEG design Grill** has been thoughtfully designed with one goal – to make cooking as convenient as possible. The **grill lids** will shield against heat and sparks blown out by the wind, and enable You to cook a juicy, thoroughly braised meal. When opened, the lids serve as handy shelves for the delicacies and additives, so that everything is right within Your reach.

The comfortable wooden handgrips make transportation of the grill easy and safe, but farther trips and picnics by the nature will make great use of the **GRANDEG deSign foldable grill**. By removing the supporting legs, it transforms into a handy tool-box, and a special transportation bag eliminates the risk of smearing.

Grandeg deSign Grillo makes every meal in the garden an outstanding leisure!
